Subject: IMPORTANT - DRAFT EAST CHICAGO PRESENTATION
Importance: High

Hi all,

Attached is my draft final open house prez. I've incorporated all of the feedback/suggestions from folks. I need to move this up the chain asap, so please take a look at it and let me know what you think. Ship sails at 10am. Some slides are animated, so watch it in presentation mode.

Tom - I merged the four pie charts with the Z2 and Z3 pre/post excavation summary (max lead)

Val - I made a pie chart from the data you sent me on homes, to summarize how many went up/down or stayed the same.

Phillippa - Thank you very much for the pointers. I made some edits to abbreviate the key points, but I am lousy at brevity as you know, so feel free to call if you have suggestions.

SF folks - Please especially take a look at the 'results' slides and let me know if this looks ok.
